

Dear Parent/Guardian,

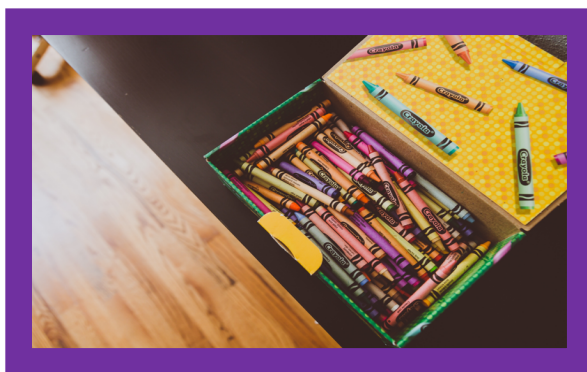

This year Kralltown Elementary is excited to once again offer “Crayon Club” to all of our kindergarten students. Your children will participate in whole-class lessons during the Fall co-taught by the building occupational therapist, Melanie Wheeler, and their kindergarten teacher. As the name indicates, during Crayon Club, the children will be working on foundational printing skills such as using a functional grasp on crayons and pencils, letter formation and general strategies from the *“ABC Evidence-Based Handwriting Program”* to support their participation in classroom printing activities.

If you ever have any questions about Crayon Club please contact Mrs. Krug or Mrs. Wheeler at 292-5054. Thank you for helping make Kralltown a great place for learning!

Best Regards,

Mrs. Krug  
Principal

Mrs. Wheeler  
Occupational Therapist

Dear Parent/Guardian,

Based on input provided by your child's kindergarten teacher and observations by the building occupational therapist, Melanie Wheeler, they have been chosen to participate in "Pencil Pals" at Kralltown. Pencil Pals is a small group that will meet one time per week for a half hour for 5 weeks starting the week of 3/20/18. The group is led by Mrs. Wheeler, in an effort to give your child extra practice with letter formations and fine-motor activities to build on their existing printing abilities. As always, feel free to contact myself or your child's teacher if any questions or concerns. Thank you.

Best Regards,

Mrs. Krug  
Principal

Mrs. Wheeler  
Occupational Therapist
